

# CE COMPLIANCE

From 1 July 2013, under the Construction Products Regulation (CPR), it became mandatory for manufacturers to apply CE marking to any of their products covered by a harmonised European standard (hEN) or a European Technical Assessment (ETA).

Conformity with new CE Marking legislation, which ensures that the stone has a Certificate of Origin and up to date technical test data. This provides protection for all parties that the material is fit for purpose.

Burlington Stone's products adhere to and surpass the European quality standard for the following products.

BSEN 12057 - Natural stone Products Modular Tiles

BSEN 12058 - Natural Stone Products Slabs for Floors & Stairs

BSEN 1469 - Natural stone Products slabs for Cladding

BSEN 1341- Slabs of Natural stone for External Paving

BSEN 1342- Setts of Natural stone for External Paving

BSEN 1343 - Kerbs of Natural stone for External Paving

BSEN 771 - Masonry Products

BSEN 12326 - Slate and Stone for Discontinuous roofing and external cladding

We will provide certificates upon request.
